

NAME: _____

RoseAleta's Money Plan

TIME FRAME: 3 months - May, June, July

GOAL: To raise \$20,000 and spend it on making a new children's area in my library.

INCOME:	Money I have now	0
	Write Letters	0
	Fundraising Event	\$20,000

SPENDING CHOICES:

RoseAleta has already made choices about what she needs to create the new children's area. Help RoseAleta figure out how she can use the \$20,000 to buy everything she needs. You must spend all of the \$20,000 and you must buy at least one unit of each item on the list. Good luck!
